

End of Life Care: Multicultural Perspectives

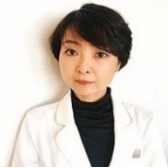

The International Psychogeriatric Association (IPA) presents a new Debate Series beginning 15 October 2021 with the topic ***End of Life Care: Multicultural Perspectives***.

Moderated by Prof. Raimundo Mateos and Dr. Edgardo Reich, this unique presentation promises to provide distinct clinical, cultural and religious perspectives into the rights of older adults to decide their end of life care.

15 October 2021 | 7:00am Central [See local time](#)
